

Volunteer of the Year Award

The nominee:

- Is an exceptional individual who has volunteered in tennis during the year, doing something worthy of recognition
- Has demonstrated inclusion by inspiring people from a range of backgrounds to play tennis
- Has shown creativity or innovation in their volunteering activities in any capacity associated with tennis

The award is for those making contributions in any voluntary capacity including (but not limited to) within their club, County, community, school, university or park venue. They could be volunteering in a formal or informal way. Examples may include (but are not limited to) club leadership or administration, coaching, competitions, events, or helping out “behind the scenes”.

County Cup Team of the Year Award

County Cup Team of the Year - Junior, Open or Senior Team. Awarded to the most deserving Surrey County Cup team. This might be because they won the National Final for their age group, or were promoted from a lower division to a higher one, or because they showed great team support.

Girls & Boys Progress Award

Any player, 18 and under who has made a big jump in performance in the year, maybe winning a national title or a grade 1 or 2 event or a County Championships event winner.

Girls & Boys Endeavour Award

For a player who may have a story to their tennis, for example a player who is coming back from injury or if their progress has been hindered by an event that has stopped them from playing for a period of time. It might be a player who has always been a fringe player and never quite made the top cut (i.e. played Nationals or County Cup) but has kept on going and is now starting to fulfil their potential. This award is given to slightly older players between the ages of 14 and 18.

Award for Outstanding Achievement

This award recognises outstanding achievement by any Surrey player – professional or amateur, junior or adult. This award was first awarded in 2019 and will only be awarded should there be a worthy winner in a year.

Award for Services to Junior Tennis

County Cup Team of the Year - Junior, Open or Senior Team. Awarded to the most deserving Surrey County Cup team. This might be because they won the National Final for their age group, or were promoted from a lower division to a higher one, or because they showed great team support.
